

## FAMILY COURT OF WESTERN AUSTRALIA

### Court orders are going digital

As part of the Family Court of Western Australia's initiative to strive towards a digital future, we are changing the way court orders are accessed.

**Faster access to your court orders online, anytime!**

The move to completely digital court orders will be rolled out in three stages.

From 3 July 2017, all court orders will be signed and sealed electronically and available to download from the Commonwealth Courts Portal ([www.comcourts.gov.au](http://www.comcourts.gov.au)).

**These changes provide for faster and more secure delivery of court orders to all parties.**

**Accessing your orders is quick and easy!**

Simply register for the portal – [www.comcourts.gov.au](http://www.comcourts.gov.au), link to your file (lawyers will need to link to their firm and files), set your email notifications and get instant access, 24/7 to your court files and download your orders as soon as they are available.
